

IMPORTANT INFORMATION

Dear Visitors,

we will strive to make your visit as relaxing and as safe as possible. To do this, however, we need your help and cooperation, because it is only by acting in concert that we can all get the best out of this very difficult period.

You are asked to comply with the following safety measures:

Minimum interpersonal distance:

Please stay at least 1 metre away from the people surrounding you.

You are required to wear your face mask:

Wear a mask if it is impossible to keep at the required 1 metre distance.

Disinfectant:

Use the sanitizing products we have placed at your disposal and wash your hands frequently during the visit.

Routes:

For safety reasons, some of the trails and stairways have been closed to the public or have become one way only. Please follow the signs.

Access to some areas is restricted:

For safety reasons, some areas will remain closed until further notice.

Museum:

Before entering the Touriseum, please follow the safety measures in force at the museum. This year the special exhibition "We need you!" will not be installed. At the Touriseum instead you will find a small travelling exhibition about Franz Kafka.

Restaurant/Café:

Please comply with the safety measures implemented inside the restaurant and in the Palm Café.

Opening hours:

This year the Gardens will stay open on Fridays in the months of June, July and August only until 7 PM and not until 11 PM as was customary.

On the days indicated below, an evening picnic with live music will be held at the Water Lily Pond: 24 July | 31 July | 7 August | 14 August 2020. On these evenings, the garden will stay open until 11 PM. For information and booking, visit the website www.trauttmansdorff.it

THANK YOU!
