

Seas of Flowers and a Beach with Palms: Holiday Vibes at Trauttmansdorff!

Wander through this picturesque garden landscape, relax beneath the palms and gaze out across the mountain peaks. Enjoy a game on the largest tourism pinball flipper in the world! It's almost impossible to do all there is to do at Trauttmansdorff in just one day.

Be sure not to miss out on these summer activities:

Immerse your feet in the cool waters of the stream in the Japanese Garden

In the Forests of the World you'll discover the American and Asian miniature landscapes, as well as the Japanese Garden. Each stone, the course of the stream and even the plant arrangement were specially laid out in accordance with the plan created by a Japanese art garden master. In summer, you can cool your feet down in the little stream.

Soak up the sun on the Palm Beach

Nowhere else in the Gardens is the unusual cross-reference between the Mediterranean and Alpine worlds more evident than on the Palm Beach above the castle. Soak up the sun beneath the exotic palm trees on one of the sun loungers, while enjoying the spectacle of the 3,000 m-high mountain peaks in the Texelgruppe Nature Park.

Relax on the Lemon Terrace

The Lemon Terrace exudes the spirit of the Dolce Vita, inviting you to relax. In the Limonaia exotic kumquats, tangy limes and spectacular 'Buddha hand' lemon trees happily coexist with other lemon and orange trees.

Enjoy long summer evenings at "Trauttmansdorff After Hours"

Live music, a relaxed atmosphere and extended opening hours: every Friday in June, July and August, the Gardens are open until 11 p.m. for a special after-work experience. As the sun sets behind the palm trees, South Tyrolean bands provide the soundtrack – the perfect way to end a summer day in style!

Enjoy an ice cream by the Water Lily Pond

While visiting the Water Lily Pond, the centerpiece of the Gardens, why not treat yourself to a delicious ice cream. Observe the exotic Koi carps as they swim beneath the surface, and the antics of the Chinese running ducks from the edge of the pond.
