

Summer at Trauttmansdorff: Our Top 5 for Warm Days

Palm trees, blooming gardens, balmy summer evenings and breathtaking views of South Tyrol's mountains: summer reveals Trauttmansdorff at its most relaxed.

Here are five experiences you shouldn't miss during your visit:

Enjoy the view from the Palm Beach

Sun loungers, palm trees and mountain scenery: at Palm Beach, Mediterranean flair meets an Alpine backdrop. The perfect place to pause and enjoy the summer.

Explore the new temporary exhibition

The exhibition "Crafted Paradises – Of People and Gardens" shows how people have shaped gardens over the centuries and transformed their ideas of nature into reality. A fascinating insight into garden art, landscapes and the green history of Merano.

End the day at "Trauttmansdorff After Hours"

Every Thursday in June, July and August, live music, aperitifs and extended opening hours until 10.30 pm create a relaxed summer atmosphere among palms and flowers.

Escape the summer heat

Whether in the shady Forest Gardens, by the stream in the Japanese Garden or inside the newly redesigned Grotto, Trauttmansdorff offers plenty of places to stay cool even on the hottest summer days.

Enjoy the atmosphere around the Water Lily Pond

Palm trees, water and a relaxed holiday feeling: around the Water Lily Pond, Trauttmansdorff reveals its Mediterranean side. With an ice cream from the Palm Café in hand, visitors can watch colourful koi carp, Chinese runner ducks and the lively activity around the water.
